

Gregory A. Crump, CPA, Director

Greg is a Shareholder and Director in the firm's general services area and provides tax and consulting services to Horty clients in the construction and real estate industries. Greg's extensive consulting experience assists clients in areas of litigation support, fraud detection and prevention and forensic accounting.

Greg is often called upon to bring his mix of accounting, tax and years of experience to facilitate the sale and purchase of a business. Acting as an intermediary, who can secure the sale of a business for both the buyer and seller, he provides a perspective that others may not have.

Greg is active in various charitable organizations throughout the Tri-State area and is a member of the American Institute of Certified Public Accountants (AICPA), Delaware State Society of Accountants (DSCPA) and National Homebuilders Association (NHA).
